## STOMACH SOUR? GOT INDIGESTION ALSO?

"Pape's Diapepsin" Makes Upset Stomachs Feel Fine in Five Minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each does contain power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.—Advertisement.

## MUSTEROLE—QUICK RELIEF FROM RHEUMATISM

MUSTEROLE has relieved thousands from the torturing pains of rheumatism. It will relieve you right now.

Get a jar at once from the nearest drug store. It is a clean, white ointment made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

MUSTEROLE is recommended by doctors and nurses. Millions of jars are used annually for Bronchitis—Croup—Stiff Neck—Asthma—Neuralgia—Congestion—Pleurisy—Rheumatism—Lumbago—Pains and Aches of the Back or Joints—Sprains—Sore Muscles—Bruises—Chilblains—Frosted Feet—Colds of the Chest (It prevents Pneumonia).

At your druggist's in 25c and 50c jars and a special large hospital size for \$2.50.

Accept no substitute. If your druggist cannot supply you, send 25c or 50c to the Musterole Company, Cleveland, Ohio, and we will mail you a jar, postage prepaid.

T. S. Harman, Deputy Sheriff, Mayville, N. Y.  
"About the first of September, 1911, I was taken with a bad case of rheumatism. I employed two first-class doctors, but received no help. A short time since a friend advised me to try Musterole. I did so. In 5 days I was 75 per cent better and in 15 days I was perfectly well."

The above cut is on every label and blown on the back of every bottle that the great system builder—Bear's Emulsion is put up in. Don't take any other kind. There are other Emulsions on the market, but Bear's is the only one that is not hard on the stomach. Bear's Emulsion builds up the system, tones up the stomach, improves the appetite, strengthens, is a tissue and flesh builder, heals the lungs and builds them up so as they can withstand the action of the consumptive germs, and for coughs, colds, bronchitis, catarrh of the throat and stomach it has no equal. It can be bought at all druggists in Clarksburg and the Johnson Pharmacy at Shinnston.—Advertisement.

## NEW JERSEYITES TO LEAD PARADE

At the Inaugural of Woodrow Wilson as President of the United States.

WASHINGTON, Jan. 31.—It begins to look as though the inaugural parade on the occasion of the inducting of Woodrow Wilson into office as president of the United States would be made up largely of New Jersey people. Tammany is to have a large place in the parade and the District of Columbia will turn out all the people it can, for its home affair. But aside from these participants those who are announced to take part in the parade are principally from the president-elect's own state.

The publicity bureau of the inaugural committee, the official organization in charge of the inauguration ceremonies, announces that among the civic organizations and marching clubs which have been heard from and which are to take part in the big parade are the Woodrow Wilson Club, Princeton, N. J.; the Philadelphia Princeton Woodrow Wilson Club; the Original Wilson Club, Trenton, N. J.; and the Gottfried-Krueger Association, Newark, N. J. The Mose Green Club, of Louisville, Ky., and the Minute Men of Lexington, Mass., are the only other organizations which have so far announced their intention to march in the parade except Tammany, which in spite of the treatment accorded to it by William J. Bryan, has announced that it will have 2,000 men in the parade.

Many states have refused to appropriate money for sending state troops here for the inauguration and aside from the army and navy detachments, the high school cadets of Washington and the civic societies of this city the chances are that the parade will not attract many others.

Accommodations have been obtained here for a few West Virginians for inauguration week, but so far as announced there is no marching club or political organization from that state to be here.

## JUBILEE

Will Be Held to Celebrate a Million Dollar Month's Business.

WHEELING, Jan. 31.—"A Million Dollar Jubilee" is what the local Burroughs men call it, and the celebration, convention and dinner will take place Saturday, February 1, at the McClure hotel at Wheeling.

The reason for the jubilee is the fact that during the month of December, 1912, the business men of America purchased \$1,017,050 worth of Burroughs adding and listing machines—3,324 machines in over 429 styles and combinations, not including the sales made in foreign countries.

This is the biggest month's business in the history of the big Burroughs Company.

At the same time, day and hour that local men are celebrating, the program will be carried out in each of the seventyfour American cities where the company has a sales or district manager.

From sixty other American offices and from cities where no office is maintained, the Burroughs men journey to the larger offices and join in the celebration.

The dinner will be strictly informal and the men will get together and properly celebrate the biggest month in the adding machine business—the month that passed the million dollar mark.

## WARRANTS

Against McAtees Dismissed as Mrs. Kane Failed to Appear against Them.

Peace warrants against Mamie McAtee, Maud McAtee, Robert McAtee and Bruce McAtee have been dismissed in Justice Jackson V. Carter's court as Sarah E. Kane, complainant, failed to appear against them. The warrants were issued several weeks ago when the two families had some trouble over their children.

A warrant charging Bee and Minnie McAtee with assaulting Oris Kane was dismissed at the same time, as Mrs. Kane failed to appear against the children.

**HELD FOR HIGHER COURT.**  
Ceel Timmons and Charles Haynes, recently jailed on a charge of stealing a laprobe from Dr. J. B. Smith's automobile at the railroad station, have been held for the next term of the criminal court by Justice T. G. Nicewarner and in default of bonds have been remanded to jail to await the pleasure of the grand jury.

## RIGSBY

Will Not Be Able to Play in Game against Morgantown Team Tonight.

The basketball game scheduled to be played tonight by the Scholastics and the Morgantown Scholastics in the Mt. State Transfer and Storage Company's building on East Pike street promises to be one of the best games of the season, as the Morgantown team is composed of some of the best college players in the state, and has been playing great ball this season.

The Scholastics will go into the game tonight with one of its regular men out of the line-up, as Rigbsby will not be able to play. He had a finger broken in a game last week. Howard Crummitt, who played the first half the game last week against the Gratton Young Men's Christian Association team, will play in the game tonight in Rigbsby's place. The remainder of the Scholastics will be in the game.

The visiting team is composed of the following well known college athletes: Finch, Race, Starpach, Jones, Amos, Tuckwiller and Kersting. This array of star basketball tossers ought to be able to make an interesting game for the locals.

The Scholastic team will go to Kingwood tomorrow where it will play the strong Kingwood team tomorrow night. The Morris-Harvey team, of Barboursville, will probably play the Scholastics here February 12, while the Wheeling Young Men's Christian Association five will be here for a game February 14.
